

### Remarks

Examiner will immediately see that the amendment adds no new matter. The amendments to claims 43 and 56 merely correct errors in the numbers of the claims those claims are dependent from; the amendment to claim 62 makes it into a proper Beauregard claim parallel to method claim 37. The correspondences between new Beauregard claims 76-105 and method claims already in the application are indicated by the following table:

<b>Beauregard Claim</b>	<b>Method Claim</b>
